

Deben Yacht Club OnBoard Programme 2020

Deben Yacht Club's "OnBoard" programme gives young people (aged from 8 - 18) a great opportunity to experience sailing in a safe, structured and fun environment, whilst being introduced to the excitement, adventure and relaxation that being on the water can offer.

This year we are offering two OnBoard programmes:

The OnBoard Beginners programme is aimed at complete novices and those who want to learn the basics of how to sail a dinghy. It consists of 5 fortnightly sessions on Monday evenings from May 18th. All sessions will run from 6.00pm to 8.30pm. The Programme will culminate in the OnBoard Junior Regatta and Sunday 26th July. The programme will be led by RYA-certified instructors and safety cover will be provided by the DYC Safety Boat team. All equipment, except wetsuits, will be provided by DYC; wetsuits are encouraged though not compulsory.

We will also be offering OnBoard activities on Club Sailing Days (see the DYC Race Card for details and dates). These will aim to give youngsters the opportunity to improve their sailing in a fun and safe environment.

There is a small charge of £30 for the OnBoard Beginners programme and participants must also be members of DYC*: membership for young people costs only £31 for the year and this also entitles them to join in any of the Club's activities, including the Club Sailing OnBoard sessions, our leisure sailing flotillas (when accompanied by an experienced sailor), our dinghy racing and our annual Regatta in August. Membership also entitles young people to use the Clubs' boats (Toppers, Qubas, Fevas, Argos, Lasers and Wayfarers) free of charge at club events and to participate in the Club's training courses (separate charge), through which they can achieve RYA certificates (Further details of the 2020 training courses are available here: https://www.debenyachtclub.co.uk/wp_dir/sail-training/rya-courses-2/).

We have only 12 places available, offered on a first come, first served basis. To apply to participate please complete and return the attached form to:
