

Reopening changing rooms – 1st May 2021

The changing rooms will be available for use from the 1st May. It is preferable that you are dressed for sailing and that you shower and change at home, please note.

- The use of changing rooms is still a medium to high risk activity.
- Showers are not available.
- Only 2 people are allowed in the changing rooms and you must keep socially distanced, the changing space is marked with yellow tape.
- Any items of clothing found in the changing rooms will be disposed of.
- If you wish to use the toilets, please keep socially distant from people who are using the changing room.

If you wish to use a changing room

1. Please clean your hands before entering and when leaving
2. Use the spray on the bench and wall in the part of the changing room you intend to use
3. Change quickly.
4. Collect all your belongings.
5. Spray the section of changing room that you have just used.
6. Leave the rooms quickly so that others may use the space.
